Projects 📁

Cosmo Store 🔵 ◈

Cosmo Store is a cruelty-free makeup brand that is high on style and higher on performance. We set this brand as inspired by and targeted toward bold, independent women who refuse to be stereotyped into roles

Tech Stack:

React | Material UI | CSS | Postman | StyledComponents | Chakra UI | Nodejs

Features:

- Social Sign-in/Sign-up with mobile as well as Email
- Filters on different categories
- Form validation

Areas of responsibility:

- A responsive header, footer, and home page with a Media query for all devices.
- Frontendof Find Makeup and Slikncare page, where a user gets the facility of tracking down multiple items based on sorting
- Manual Sorting functionality for all pages.

FitZone Clone 🔵 ◈

I created this Application and its aVery good gym app with reasonable prices well training with friendly trainers..very good for students to their prices

Tech Stack:

React | javascript| CSS | StyledComponents | FontAwesome | EmailJS

Features:

- Mobile Friendly
- One Page Application Fast & User Friendly
- Real Time Email Facility

Areas of responsibility:

- A responsive header, footer, and home page with a Media query for all devices.
- Frontend of Find to any workout-related information, where a user gets the facility of tracking down images with related information.
- Realtime Email updating system
- Animated
